Creator's Note

This magical world was envisioned, crafted, and created by a young storyteller with a wondrous dreamland within her heart.

Every twist in destiny, every bond of friendship, and every brave step into the unknown began as a spark in her imagination, unfolding into the story before you. With endless creativity and passion, she shaped her thoughts into moments, emotions, and worlds — one panel at a time.

Thank you for walking these paths and crossing new worlds with her. More wonders await... and many more stories are waiting to bloom.

*Stay fearless. Stay curious.
And always keep creating.*

FOREST GAMES

A deeper step into wonder.
New friends. Hidden pasts.
The forest breathes secrets
And it's finally ready to show her.

Hello! I'm Suzu.

Hi! Flint here. That's Grizzle, Hopsie and Stripy.

Such a lovely bunch - and your forest? Breathtaking.

To see a human again - it stirs the old magic.

Wait-so you've seen humans before?

Seen humans? Zima, have you not told her yet?

You're kind of freaking me out - just spill already!

This forest holds more than beauty, Ishimiko. It holds our past.

It all happened a couple of years ago, when I was just a regular New York girl, enjoying life.
