Halley finds a dog

Halley lived in a city with her mother.
She loved to take care of little animals.

It was Halley's birthday. Her mother gave her a colourful necklace. She loved it and jumped with joy. Halley asked her mother to let her play outside in the park.

When Halley was walking in the park, she saw a tree with a bird and a dog. The bird was injured. The dog was stuck on the tree.

Halley took them out of the tree. She healed the bird .
She checked the health of the dog too.

The bird flew away with her mother.
Halley took the dog with her

In her room, Halley played with the dog and named her Felisha.

Halley and Felisha went outside to their backyard.
Halley made a house for Felisha.
